Start Your Journey with Australian College of Physical Education

At the Australian College of Physical Education (ACPE) we are driven by one purpose – to help students who are passionate about Sport, Health, Fitness, Sport Business, Education and Dance become confident and competent professionals who follow their passion every day.

ACPE is Australia's Leading provider of sport and physical education with a rich history spanning more than 105 years.

In this time, we've had the privilege of helping thousands of students become qualified in their field of choice. Not only that, but we've also watched many of them soar and become leaders in their respective industries. Our graduates enter the workforce career-ready due to the relevance of ACPE's qualifications, which are aligned with industry needs.

ACPE has consistently had a very high graduate employment rate which exceeds the National Average in this regard (QILT ESS Survey).

ACPE Campus

Whether you are just chilling out in the student lounge, hitting the campus gym between class, participating in our sports teams, attending our social events, or taking advantage of our free food each week. Our diverse offering provides everyone here at ACPE an opportunity to have unforgettable experiences and make life-long friends along the way.

Student Learning Services

The Student Learning Services (SLS) is your resource centre for all things related to academic skills and success at ACPE. Studying for a degree can be a big step up and the SLS staff are here to make sure your transition to university study is as smooth and painless as possible.

Student Engagement Services

Our Student Engagement team are committed to helping you have unforgettable experiences and make life-long connections during your time studying with us. We have a strong sense of community at ACPE. This is due to our well-balanced program that provides opportunities for social, personal and professional development outside of the lecture room. Our Student Programs and perks include Representative Sports Teams (UniSport Nationals), Cheer and Dance Teams (UniSport & AASCF), Weekly free food, Annual Staff v Students series, Running Club, Free ACPE Gym Access, Social Events (The College Annual Dinner) and a Free Sydney Olympic Park Lifestyle Membership.

Mentoring Program

ACPE offers a range of programs for you to be a part of during your time on campus. Some of these programs include: The Mentor Program, the Student Volunteer Program, the Peer Study Assist Program, Student Life and Events Program and the ACPE Student Leadership Program.

Partnerships

ACPE holds an extensive portfolio of industry partnerships with leading organisations across the country. Our partnerships ensure you have various opportunities throughout your studies to apply your classroom learning to a professional context. You will engage with leading industry professionals on a regular basis through internships, field visits, conferences and guest speaker sessions. Our partnerships ensure that you are able to kick-start your career by leaving ACPE with your own professional network of contacts.

Elite Athlete & Coach Program

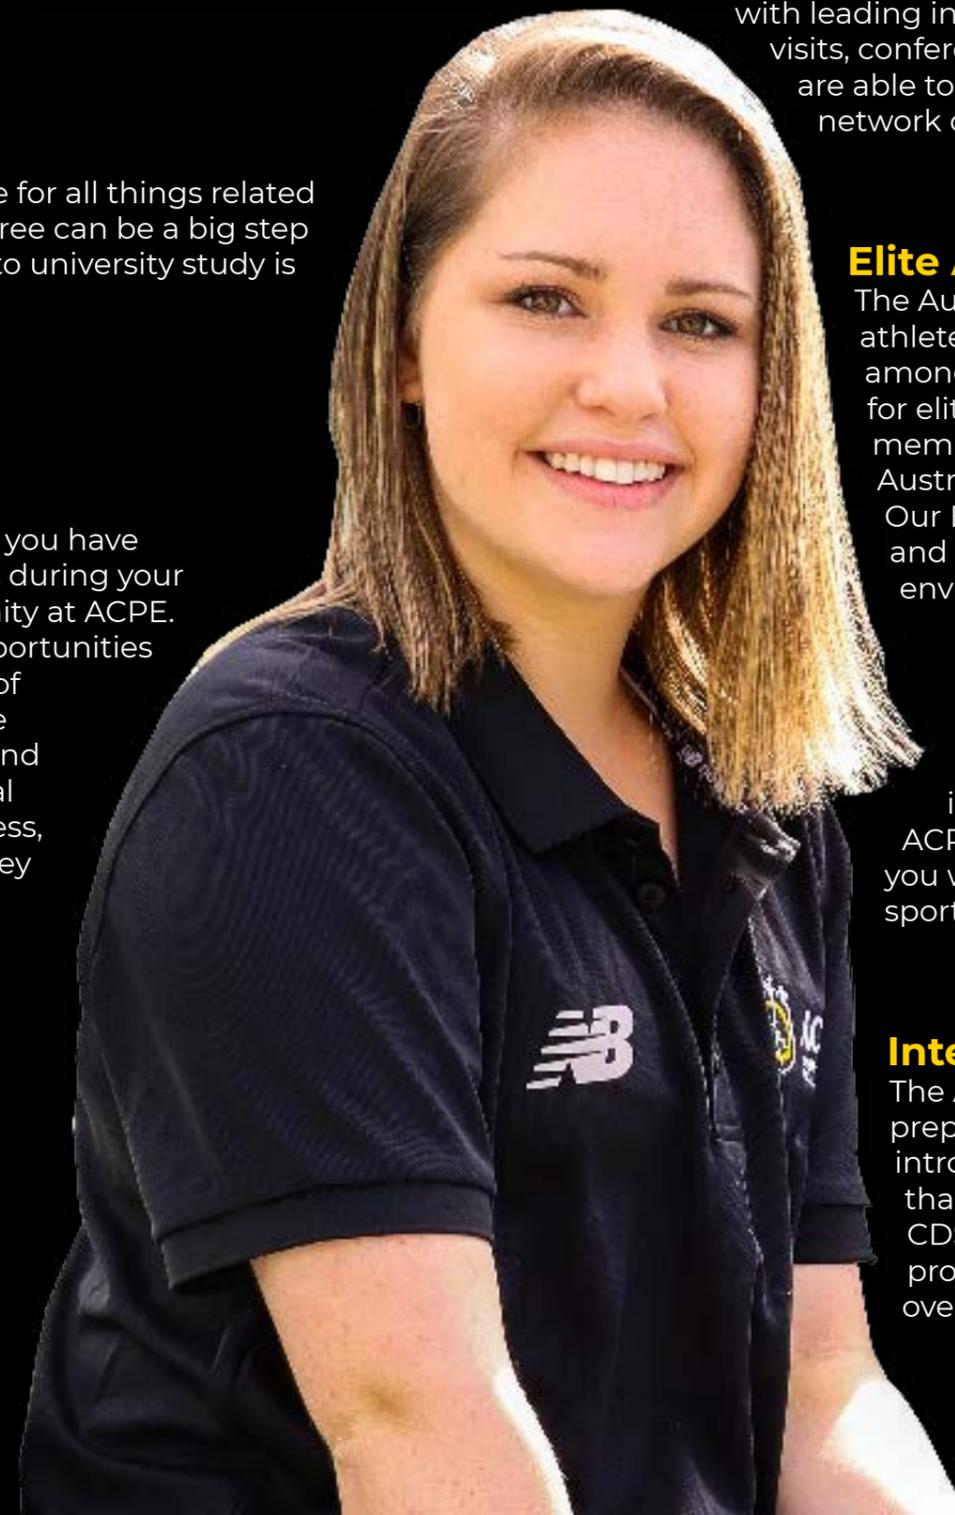

The Australian College of Physical Education has supported student athletes strive for academic and sporting excellence since 1917 and is among national leaders in providing the highest standard of services for elite athletes, coaches, performers and officials. ACPE is an endorsed member of the Elite Athlete Education Network recognised by the Australian Institute of Sport and the New South Wales Institute of Sport. Our Bachelor degrees in Fitness, Sport, Sport Business, Health, Education and Dance offer the highest quality learning in a flexible and supportive environment in Sydney's home of sport - Sydney Olympic Park.

Sport at ACPE

At ACPE we take our sports seriously with a number of partners in the industry including UniSport there is never a dull moment at ACPE. With more than 40 sports in the national championship format, you will have exposure to some of the largest and most highly anticipated sporting competitions in the Australian sporting calendar.

Internships

The ACPE Career Development Services (CDS) ensures that you are prepared to take the next step in your career journey. You will be introduced to industry influencers, movers and shakers earlier rather than later, meaning you will stand in good stead upon graduation. The CDS team works with all students to provide a range of personal and professional development opportunities that will help develop their overall employability skills.

Beat the HSC Stress!

ACPE's **Early Entry Program** offer is an entry pathway for current high school students into ACPE degrees prior to the release of HSC results. This an opportunity to guarantee your place and secure your enrolment at Australia's leading Sport and Physical Education provider. You don't need an ATAR to come to ACPE because we look at your eligibility holistically and consider a range of factors.

By applying to ACPE's Early Entry program you can:

- Secure a place at The Australian College of Physical Education and sit your exams with the added confidence of knowing you have received your ACPE offer.
- Gain access to Early Entry information sessions to hear from our Academics and current students and receive application tips and notifications.
- Have a seamless transition to college life with the full support of our Academic and Admissions staff who will help you every step of the way.
- Finish Year 12 with less stress and more confidence.

For students who have left school but who haven't completed their HSC and are under 21 years of age, ACPE has an alternative entry pathway to allow potential access to an ACPE degree. If this applies to you, ask our staff about the **Enable and Access Pathway**.

#Be Valued

“Without studying at ACPE I don't think I'd have the network that I have built today. Each job opportunity I have been granted has been someone from a previous club recommending me for a role”

Caitlin Squillari, Bachelor of Sports Business

Australian College of Physical Education Early Entry Program 2022

WHAT'S NEXT?

1

PREPARE TO APPLY ONLINE

Early Entry applicants will receive an outcome within 3 days of submitting an application and required information. Therefore, the earlier you apply online, the earlier you may receive an offer to study at The Australian College of Physical Education.

1. Apply for Semester 1, 2023 through the ACPE UAC Portal
2. Ensure your Yr11 results are available in UAC.
3. Ensure you have your USI and Tax File number handy

Apply today:
<https://acpe.uac.edu.au/acpe-portal/>

2

PREFERENCE AND APPLY

To be eligible for Early Entry you need to apply through ACPE's UAC Portal:
<https://acpe.uac.edu.au/acpe-portal/>

You will also to ensure ACPE is your first preference in UAC Centralised.

Through the online application, you can tell us more about yourself. You have the option of including a letter from your principle or teacher.

We look forward to learning more about your dreams and ambitions.

3

COMPLETE AND SUBMIT THE ONLINE APPLICATION

Once you have completed your submission it will be reviewed by our student enrolment team, you should hear back from us regarding your application within 3 days of submission.

Am I eligible for the Early Entry Program?

You are encouraged to apply for the Early Entry Program if you are a current year 12 student and undertaking a minimum of 3 HSC examinations in Australia. International students need to apply according to international applicant guidelines.

Please note: International students will need to apply via our international application and meet all entry and language proficiency requirements.

What are the minimum academic entry requirements?

Minimum academic entry requirements:

- A minimum NSW HSC (Higher School Certificate) or equivalent.
- ACPE will review your HSC results to determine if you require any additional support in your studies. If required you will be counselled about the most appropriate course for you based on your previous studies and results.
- If you want to enter an Education degree at ACPE, you will have to meet the mandatory requirements for Initial Teacher Education. We adhere to the requirements set by the National Education Standards Authority (NESA), which requires a minimum standard of three band 5 HSC results, including one in English for direct entry into an Education degree.
- If you don't meet the requirements for direct entry into an Education degree, there is a pathway program that may enable you to transition into an Education degree (if you meet the requirements).

* Further minimum entry requirements may apply - contact our student enrolment team for further information.

If you have any questions about the Early Entry Program, or would like to schedule a tour of our campus, contact us on 1300 302 867 or info@acpe.edu.au.
